The Pearl is
being released
from the vessel!

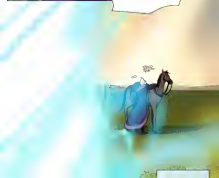

Wow!!

Oh, no, I have to
restrain myself!
The Pearl must
return to that
young Dragon.

I can't linger
here any more.

My next vessel is ready!

all that remains is

I must hurry!

What I want

and what I can do

But, I never anticipated

please tell Kairi

From up

Hey! Watch what you say!

Is that...?
